ROAD CLOSURE IN DUBLIN FOR BOX CULVERT REPLACEMENT
1.5 MILE DETOUR REQUIRED ON NH 137 FOR TWELVE DAYS

The New Hampshire Department of Transportation announces work on a box culvert replacement project on NH Route 137 in Dublin will require a road closure and detour, beginning Monday, August 30, 2004.

This project is located on NH Route 137 in Dublin, approximately one-quarter of a mile south of NH Route 101. The necessary road closure on NH 137 and 1.5 mile detour via Gold Mine Road and Old Peterborough Road will be in effect from Monday, August 30 until Friday, September 10. Signs will guide motorists on NH 137 through the detour.

Renaud Brothers, of Vernon, Vermont is the contractor for the \$229,000 project, which has a completion date of September 24, 2004.
